

**St. Joseph - St. John Ministry Encounter**  
**Report to the CPC**

Use extra sheets if necessary

Ministry Name (s): MOMS (St. Joe) – Moms & Tots (St. John)

Encounter Date: \_\_\_\_\_

Length of Meeting: \_\_\_\_\_

**Opportunities Noted:**

Discussed the fact that St. John group is speaker and play date based while St. Joe group is more spiritual based. St. John group is well established with lots of support. St. Joe group still trying to get off the ground. Think it would be wonderful to collaborate to offer MOMS experiences in both areas.

**Specific Challenges to Collaboration:**

St. John meets on Tuesday and St. Joe on Thursday which really can't be changed. St. Joe group doesn't have any childcare, yet.

**Suggestions to the CPC:**

**We could incorporate the two with some work. I think it would provide more opportunities for the Moms at both churches. Could combine but would really still be two separate programs but some women may attend both and we could advertise for each other.**
